

Something Better

Elephant Kind

Something better for me now
I'm gonna walk away
Travel far and try to stay sane
Something better for me now
That's what I really want
Nothing but peace of mine

Something missing inside of me
Better days are all I want
I've been caught too many times in this rain
I wanna go back to a place
Where I can find myself

I will find myself somebody
Don't worry 'bout me 'cause I'll be fine
And I've been here before
This place looks familiar
I will find myself somebody
Don't worry 'bout me 'cause I'll be fine
And I've been here before
This place looks familiar
I will find myself somebody
Don't worry 'bout me 'cause I'll be fine
And I've been here before
This place looks familiar
I will find myself somebody
Don't worry 'bout me 'cause I'll be fine
And I've been here before
This place looks familiar
