## Elephant Man

Me tired of backshot and lay down pon it...  
Me waan sidung!

Loving you want, baby a that a dweet (a that a dweet)  
Rip up pillow, tear up a lot of sheet (a lot of sheet)  
Stay pon it whole night, nah drop asleep  
Stamina inna back, we nuh weak  
You ready fi it?

Gyal  
Gya-gya-gyal  
Gyal, me love when you a whine and you a sidung pon it  
Me know it hot, but you nuh mind when you still a sidung pon it  
If it easy, shift your spine, you still a sidung pon it  
She a tell me take time and still a sidung pon it

Me tired of backshot, me waan fi sidung pon it  
A pon the edge me waan fi kotch when me a sidung pon it  
It coulda slim, it coulda fat me know fi sidung pon it  
Can do this, me can do that when me a sidung pon it

Gyal, me love how you a wuk it when you sidung pon it  
Like say you waan bruk it when you sidung pon it  
Me ago send it up and buck it, when you sidung pon it  
Say, she love how me a wuk it when she sidung pon it

Me nah go waan other gyal when me sidung pon it  
Me wild like animal when me a sidung pon it  
You haffi give me a medal when me a sidung pon it  
Know you like it when me pedal and sidung pon it

Mi say, loving you want, baby a that a dweet (a that a dweet)  
Rip up pillow, tear up a lot of sheet (a lot of sheet)  
Stay pon it whole night, nah drop asleep  
Stamina inna back, we nuh weak (we nuh weak)

E-E-Ele', Ele' don' you love how me a whine and sidung pon it?  
Me know it hot, but me nuh mind 'cause me a sidung pon it  
Me know how fi whine and take mi time when me a sidung pon it  
Gimme the whole 9, make me sidung pon it

Gyal, me love how you attack it when you sidung pon it  
How you grip it and lock it when you sidung pon it  
The way you lift it and drop it when you sidung pon it  
That make me haffi slap it when she sidung pon it  
She say...

Me nuh love the belly-to-belly whine  
Me prefer fi back it up and feel it up inna mi groin  
Early morning when a the wickedest time  
When me just leave the club and waan recombine

Yeah!

Backshot was her favorite position  
Now she upgrade, ready fi the next mission  
Say, she want a chair, me give her something fi sit on  
Her man lose him seat, just like a politician  
Yeah!

Loving you want, baby a that a dweet  
Rip up pillow, tear up a lot of sheet  
Stay pon it whole night, nah drop asleep  
Stamina inna back, we nuh weak (we nuh weak)
