

Raindrops

Elephant Revival

Raindrops on the rooftop, he said
Just stop and listen
Constant as the earth quakes
As the day breaks
Stop and listen

Careful is the movement
Light a candle in the basement
But there's sunlight
On up the stairs
I'll go up there just to see it

Raindrops on the rooftop, he said
Just stop and listen
Constant as the earth quakes
As the day breaks
Stop and listen
