

## Amends

Elephante

Sometimes I think about everything that's happened between us  
I don't like the way that things ended  
And I wonder if somehow we could still be friends  
Maybe we could make amends

How do I say I'm sorry  
How do I say I'm sorry  
How do I say I'm sorry  
When I'm not

I don't like the way that our love ended  
But I don't know what I should have expected  
With all your feelings I guess I offended  
You said I was cruel  
And I was a fool

How do I say I'm sorry  
How do I say I'm sorry  
How do I say I'm sorry  
When I'm fuckin' not!

I put my faith in you  
Gave my strength to you  
But you broke the latch and jumped  
As soon as the air got a little rough  
Now I'm all alone  
In this empty home  
It burns hot in the dark of the night  
Too much gas for you to light

How do I say I'm sorry  
How do I say I'm sorry  
How do I say I'm sorry, sorry, sorry, sorry, sorry  
When I'm fuckin' not!

How do I say I'm sorry (I'm sorry baby)  
How do I say I'm sorry (Sorry, sorry)  
How do I say I'm sorry, sorry, sorry, sorry, sorry  
When I'm not
