

## Running

Elephante

So we're running and we're running  
And we're running through the night time  
Tryin' to beat these yellow lights, yeah  
We're going through the motions  
That we hope will keep us safe and quiet

But I'm losing control  
I can't do what I'm told  
I'd rather be fallin' head over heels  
Than just staying afloat

So I'm running till the dark gives up  
I'm running till I feel your love  
I don't know where I'm running,  
But I'll run for my life till my kingdom comes  
I'm running for ya

So we're rollin and we're rolling  
And we're rolling up the windows  
Tryin' to reach the pinnacle, yeah  
In just another minute  
We'll be swimming in this heavy glow

I can see in your eyes  
No more tryin to hide  
I'd rather be breaking all of my bones  
Than just staying inside

So I'm running till the dark gives up  
I'm running till I feel your love  
I don't know where I'm running  
But I'll run for my life till my kingdom comes

So I'm running til the dark gives up  
I'm running till I feel your love  
I don't know where I'm running  
But I'll run for my life till my kingdom comes  
I'm running for ya

So I'm running till the dark gives up  
I'm running till I feel your love  
I don't know where I'm running  
But I'll run for my life till my kingdom comes
