Another One

Elevation Worship

You do everything on purpose
I can feel Your Spirit stirring
I've been praying, You've been working
Working it all for good

So fan the flame and keep it burning
You're refining in the furnace
All the waiting will be worth it
'Cause You're working it all for good

Miracle after miracle
Open door after open door
Here it comes
So get ready for another one
'Cause another one is on the way
Miracle after miracle
Open door after open door
Here it comes
So get ready for another one
'Cause another one is on the way
Oh, another one is on the way

Oh, rushing wind and living water
You're the God of signs and God of wonders
If You will it what can stop it
'Cause You're working it all for good
Yeah, You're working it all for good

Miracle after miracle
Open door after open door
Here it comes
So get ready for another one
'Cause another one is on the way
Miracle after miracle
Open door after open door
Here it comes
So get ready for another one
'Cause another one is on the way
Another one, another one
Yeah, another one is on the way
Another one, another one
Another one is on the way

Oh, keep believing
It's on the way
Yeah, I can see it coming now

'Cause if He told the sun when to rise
And it did
He will again
And if He told the storm to be still
And it did
He will again
And if He told the sea where to split
And it did
He will again
And if He told the walls when to fall

And they did
He will again
And if He told the chains when to break
And they did
He will again

And if He told the bones, "Come alive"
And they did
Come on, what else
And if He told the stone, "Roll away"
And it did
He will again
And if He told the grave, "Let him go"
And it did
He will again
And again, and again, and again
And again, and again
And I know He will again
'Cause He's good and He's faithful
Yeah, another one is on the way

Miracle after miracle
Open door after open door
Here it comes
So get ready for another one
'Cause another one is on the way
Miracle after miracle
Open door after open door
Here it comes
So get ready
Yeah get ready, get ready

'Cause if He told the chains when to break
And they did
He will again
And if He told the bones, "Come alive"
And they did
He will again
And if He told the stone, "Roll away"
And it did
He will again

And if He told the grave, "Let him go"
And it did
He will again
And again, and again
And again, and again, and again
I know You will again, oh
Another one is on the way
You just keep on doing it
Another one is on the way, oh

Miracle after miracle
Open door after open door
Here it comes
So get ready for another one
'Cause another one is on the way

Miracle after miracle
Open door after open door
Here it comes
So get ready for another one
'Cause another one is on the way

Yes
Only You can do it, Jesus
