Elevation Worship

Narrow as the road may seem
I'll follow where Your Spirit leads
Broken as my life may be
I will give You every piece

I hear You call
I am available
I say, "Yes, Lord"
I am available

Here I am with open hands
Counting on Your grace again
Less of me and more of You
I just wanna see You move

I hear You call
I am available
I say, "Yes, Lord"
I am available
I hear You call
I am available
I say, "Yes, Lord"
I am available

My heart is open wide
My hands are open wide
Come do whatever You want to

Here I am, here I am
You can have it all, You can have it all
Here I am, here I am
You can have it all, You can have it all
Here I am, here I am
You can have it all, You can have it all
Here I am, here I am
You can have it all, You can have it all
Here I am, here I am (Jesus)
You can have it all, You can have it all
Here I am, here I am
You can have it all, You can have it all

Everything I have to bring
Everything I offer it, oh

For the One who gave me life
Nothing is a sacrifice
Oh, use me how You want to God
Have Your throne within my heart

I hear
I hear You call
I am available
I say, "Yes, Lord"
I am available

It's my joy, to say "Yes" to You
It's my honour, to say "Yes"

Whatever it looks like
My response is "Yes"
My response is "All that I am"
All that I am, oh
Let the sound of surrender fill the room
'Cause we love, we love, we love
To say "Yes" to You, Lord
We're giving everything we have, oh
We give You everything we are, oh, oh
God, it's my prayer, that my life, will be an offering
So if You can use anything, God, You can use me
Come and have Your way
Come use me how You want to

Here I am, come on
Here I am, here I am
You can have it all, You can have it all
Here I am, here I am
You can have it all, You can have it all
Such a sweet sound, sing it
Here I am, here I am
And You can have it all, You can have it all
Here I am, here I am
For You can have it all, You can have it all
I'll sing it again
Here I am, here I am
Oh, You, You're worthy of it all
You can have it all, You can have it all
And here I am, here I am
For You can have it all, You can have it all

Here I am, here I am
You can have it all, You can have it all
Here I am, here I am
You can have it all, You can have it all
