

## Come Again

### Elevation Worship

I'll wait for You to come  
I'll wait for You to come  
Cause when I'm with You Lord  
It always leaves me wanting more  
Here's our praise You can dwell within  
Come again

Come again  
Let the glory in  
I'm open, I'm open

Come again  
Let the glory in  
I'm open, I'm open

I'll wait for You to come  
I'll wait for You to come  
Cause when I'm with You Lord  
It always leaves me wanting more  
Here's our praise You can dwell within  
Come again

Come again  
Let the glory in  
I'm open, I'm open

I'll wait for You to come  
I'll wait for You to come  
Cause when I'm with You Lord  
It always leaves me wanting more  
Here's our praise You can dwell within  
Come again

Come again  
Let the glory in  
I'm open, I'm open

It's not a building you wanna fill  
It's my heart  
This empty space  
Is what you wanted all along

Come again  
Let the glory in  
I'm open, I'm open
