

Dancing

Elevation Worship

When You walked across the room
And asked me to dance with You
You said "You're the one I choose"
I couldn't believe it
You weren't just passing by
You looked me in my eyes
I found my paradise
Oh You are my paradise
I'm not leaving

Even if the sun drops out of the sky
Even if the stars stop shining at night
Even if the drummer stops keeping the time
If Your hands are in mine
I won't stop dancing
Dancing on the mountain of a victory
Dancing through the valley of a broken dream
Dancing on the plains of the in between
If it's You and me
I won't stop dancing

We've made some memories
We've got some history
If we told them everything
They'd never believe it
So many loves out there
But none of them can compare
To this sacred space we share
Oh I'm dancing away my cares
I'm not leaving

To the right
To the left
When You step I step
I won't stop dancing
