

Finally Free

Elevation Worship

I used to be down
I was out (I was out)
Tried to keep me quiet not a sound (Not a sound)
But now I'm walking through the sea (Through the sea)
Look at me I'm finally free

I used to be scared
On my own (On my own)
Had to face a giant with a stone (With a stone)
And now that giant's under my feet (My feet)
Look at me I'm finally free

I was in the dark
I was blind (I was blind)
Couldn't find the truth, outta sight (Outta sight)
Then the light came to make me see (Make me see)
Look at me I'm finally free

I used to be dead
In a grave (In a grave)
Never thought I'd see another day (Another day)
Then the grave met the King of Kings
Look at me I'm finally free

Look at me I'm finally free
Look at me I'm finally free
Look at me I'm finally free
I'm finally free
Yeah I'm finally free

Look at me I'm finally free
Look at me I'm finally free
Look at me I'm finally free
I'm finally free
Finally free

This is what it feels like
To finally be free
Free from fear, free from failure
Thanks be to God
Who gives us the victory through our Lord Jesus Christ
For the grave couldn't grip Him
The chains have crumbled
The curse is crushed
And with every breath
We boldly declare we are finally free
