

# I Love You Lord

## Elevation Worship

Your Patience was amazing waiting while my heart was wondering  
Your kindness is surprising as I stumble home you run to me  
I'm welcomed with rejoicing wrapped in the embrace of royalty  
And now I'm overflowing, singing of the love I have received

I love you lord  
I lo-ove you lord  
Jesus I adore you  
I love you lord  
I lo-ove you lord  
Teach me how to love you more

You crown me with compassion, lifting up my hands to see your smile  
I know that you are for me, as you fill my heart with your desire  
It goes beyond my feelings, flooding to the places I can't see  
And now I'm overflowing singing of the love I have received

I love you lord  
I lo-ove you lord  
Jesus I adore you  
I love you lord  
I lo-ove you lord  
Teach me how to love you more

[Bridge x3:]

A love that will not let me go, my soul will rest in you alone  
I give you back this life I owe, to know you Jesus more and more

I love you lord  
I lo-ove you lord  
Jesus I adore you  
I love you lord  
I lo-ove you lord  
Teach me how to love you more
