

## Over & Over

### Elevation Worship

Holy  
That's who You are  
Angels  
And earth sing a song for Your  
Honor  
'Cause power belongs to You  
Power belongs to You

No, I could never grow tired of telling You You're worthy  
There's so many ways I could sing of Your glory  
No, I will never get tired of telling You You're worthy  
Over and over again

Always  
Now and forever You're  
Matchless  
Clothed in the colors of Heaven  
And no eye has ever seen  
All You are

I could never grow tired of telling You You're worthy  
There's so many ways I could sing of Your glory  
No, I will never get tired of telling You You're worthy  
Over and over again

And over and over  
And over and over  
Oh, Jesus  
You're worthy, You're worthy, worthy  
Oh, Jesus  
Holy, holy, holy

We join with all the heavens (Worthy is the Lamb)  
We join with all creation (And holy is the Lamb, say)  
We join with all the angels (And holy is the Lamb)  
We sing You're holy (Oh, Jesus)

Singing holy, holy  
To my one and only  
Who is like our God?  
Let our hearts adore You  
As we bow before You  
There's no one like our God, there's no one

Singing holy, holy  
To my one and only  
Who is like our God? Yeah  
Let our hearts adore You  
As we bow before You  
There's no one like our God, oh

Singing holy, holy  
To my one and only  
Who is like our God, yeah  
Let our hearts adore You  
As we bow before You  
There's no one like our God, oh

Nobody like You, Jesus

We sing

I could never grow tired of telling You You're worthy  
There's so many ways I could sing of Your glory  
No, I will never get tired of telling You You're worthy  
There's so many ways I could sing of Your glory

No, I would never grow tired of telling You You're worthy  
There's so many ways I could sing of Your glory  
No, I will never get tired of telling You You're worthy

Over and over again  
Over and over again  
Over and over again  
Over and over again

Yeah, yeah, yeah, so worthy, Jesus  
You're so worthy, Jesus
