

Cool Cruel Baby

Eleven

It's my world
Why am I doing what you say?
It's my time
Why do I wait for your delay?
'cause I'm so deep in you
Yes, I am so deep in you
I nearly drown and you are smiling...
Cool Cruel Baby wrapped me up like a spider
You lit me like the fourth of July
Cool Cruel Baby wrapped me up like a spider
And lit me like the fourth of July
It's my show
Why are you breaking all the news?
It's my life
Why am I bending to your rules
'Cause I'm so deep in you
Yes I'm so deep in you
Oh I'm so deep in you
Yes I'm so deep in you
I nearly drown and you are smiling...
Cool Cruel Baby wrapped me up like a spider
You lit me like the fourth of July
Cool Cruel Baby wrapped me up like a spider
And lit me like the fourth of July
Cool Cruel Baby wrapped me up like a spider
You lit me like the fourth of July
Cool Cruel Baby wrapped me up like a spider
And lit me like the fourth of July
