

Watergun

Eleven

Hello, I am a watergun
I feed you all unborn
Awake hearing growing on and on
Awake living dying on and on
I love to throw you in a flood
I love to wash away the mud
I love to use my watergun
I make it my life to target you
I make it my life to soak you through
Hello, I am a watergun
I feed you all unborn
Awake hearing growing on and on
Awake living dying on and on
I love to throw you in a flood
I love to wash away the mud
I love to use my watergun
I make it my life to do it
I love to throw you in a flood
I love to wash away the mud
I love to use my watergun
I make it my life to do it
I love to throw you in a flood
I love to wash away the mud
I love to use my watergun
I make it my life to target you
I make it my life to soak you through
