

All That Matters

ELHAE

Yeah yeah, worried about nobody else
Ain't with you, I ain't myself
You make me complete
You're all that matters to me

I wanna sit you down, I wanna sit you down
And wrap my arms around, wrap my arms around you, oh
Yeah yeah, I'm not worried about nobody else
It's just me and you tonight
I don't wanna fuss and fight
I just wanna make things right, girl you deserve it
I swear, I swear, oh

Yeah, yeah, oh
You're all that matters to me, yeah
Yeah, yeah, oh
Woo!

I got a little too much goin' on, wait a minute
Tryna' hit the road, make a nigga pay attention
But you been right there, holdin' on 'til I finish
You wait right there, girl I swear you 'bout to get it, no, no
I swear that you killin' these, killin' these, killin' these hoes
Uh and I don't think that you be knowin' you got me on top of the glo

And I don't wanna let you go
They don't even have to know
You just gotta' let me know, babe
She say that she love how I'm killin' the game
I hope that this never change
I feel like we one in the same, like one in the same, woah

Yeah, yeah, aye
Worried about nobody else
Woah, yeah
You're all that matters to me

And when the chips are down
I wanna be around, for you
Whatever that you're going through
Just hold my hand girl, we'll make it through
Woah, woah

Worried about nobody else
Oh yeah, you make, me complete
You're all that matters to me
