

(Hollup!) Back again, back again, 45, 45  
Used to be 23, but that was the old me  
It's like what you said, I deserve better  
So, what we goin' do? (uh)  
Keep it pushin', no salt and pepper  
It's my pleasure, my niggas still here (my niggas still here)  
I still wonder how you've been? (uh)  
You'd probably out chillin' with a frat guy  
With his button and he's probably named Ben  
Drinking beers on the regular (drinking beer on the regular)  
Sort of how we used to do (sort of how we use to - uh)  
I've been thinking 'bout you (you)  
Tryna' figure out what it is about you

What you goin' do? What you goin' do?  
I've been gettin' to this money, babe  
I've been gettin' to this money, bae, yeah  
What you gon' do? What you gon' do?  
I've been gettin' to this money, babe  
I know you see me baby, oh

I made it out, I made it out  
I made it, I've been here before  
I made it out, I made it out
