

## Calendars

ELHAE

Oh, yeah, oh

I ain't got time to wait, no  
I ain't got time to wait, no  
Cause I got a day  
Every dog has a day  
I got a day  
Every dog has a day

85 on the dash  
Baby why you gettin' mad  
Niggas out here gettin' cash  
I'm just tryna' make it last  
You ain't gotta act crazy girl  
I swear we never goin' bad  
I swear we never goin' bad  
I swear we never goin'  
I ain't got time to wait  
On another nigga sellin' lies  
I'mma give it e'rything I got  
I refuse to see my mama cry  
Niggas waitin' way way too long  
I was couped in a room, me and my rhymes  
Now I'm on the high rise, my time  
'Member when I used to walk the side lines

I ain't got time to wait, no  
I ain't got time to wait, no  
Cause I got a day  
Every dog has a day  
I got a day  
Every dog has a day (Oh)

I could never ever let her  
I always root for gettin' better  
Keep my shorty in the ride  
Revin' up the engine just to get her wetter  
I love to see a nigga hate  
That's how they let me know they feel the pressure  
Niggas finna' catch up, I ain't slowin' down  
Aimin' for top and comin' from the south (Woo!)  
Baby look at what you coulda' had  
Coulda' had the life  
Louis bags on Louis bags  
But you ain't wanna act right  
I ain't got time  
And now it's finally time to get it  
A nigga tried to knock me out  
But I guarantee a nigga keep the pivot

I ain't got time to wait, no  
I ain't got time to wait, no  
Cause I got a day  
Every dog has a day  
I got a day  
Every dog has a day  
(I swear, yeah)

Who are you?
