Cold (Interlude)

ELHAE

You took my heart and made it stone
You had no feelings all along
I did you right you did me wrong
I should've knew this all along

But you had me blind
Couldn't see that shit
I know one day you gon' need me
But I won't pick up
I won't be right here
It won't be like this no

This shit is crazy called you my baby
Would've never thought you'd do a nigga crazy
My mama told me you wasn't the one and she couldn't trust you
I should've knew I should've knew
I should've knew
I should've knew

You left me cold cold cold cold...
