

Comfortable

ELHAE

I've been working just for you
Cause I know just what I got
Girl it's something that you do
I don't feel like this a lot
I don't feel like it's a lot
Is this really what you want?
You've been heavy on my heart
I just wanna make it work, I
I wanna be more than a friend
So do you got room for a lover?
I'm lovin' the way that you do it
I love it when we under covers
I don't know what else to do
I'm so deep, in love witchu'
In love witchu'

So I just wanna know
Know-know, know, yeah yeah
Uh, so I just wanna know, yeah
So let me know
Is this really love?
Cause I've seen a lot, it's hard for me to trust
Baby hold my hand
Look me in my eyes
There's no where I'd rather be than with you tonight
I'm so comfortable (I'm so, I'm so, I'm so, yeah yeah)
I'm so comfortable (I'm so, I'm so, yeah)
I'm so comfortable (When I'm with you)
I'm so comfortable (Yeah)
You are my refuge

Yeah
You got me on 10, you got me on 10 (Got me on 10, woo!)
I never wanna see the end, no (No, no no no)
Let's do it again, let's do it again (Let's do it again, woo!)
All you gotta do is tell a nigga when
I've been waitin' all night, I
Waited from the sideline
Questions I will probably never know
Like how we click without a metronome?
Ringing like a lifeline
I'm thinking in my right mind
I might be in love witchu'
In love with you

I just wanna know, yeah
I just wanna know (know, know, know, know, know, know)
I just wanna know! (Oh)
Woo! Yeah (I just wanna know)
I'm so comfortable (I'm so, I'm so, I'm so I'm so, I'm so)
I'm so comfortable (I'm so, I'm so)
Ohhh, yeah (I'm so I'm so, I'm so I'm so, I'm so I'm so)
I'm so comfortable (I'm so comfortable)
(I'm so)

(I'm so I'm so)
I'm so comfortable

Yeah, yeah
