

Die Alone

ELHAE

You got everybody on your line
Niggas try hit you all the time
Tell is you feeling him or me
You ain't even got to lie
Girl I know that you'll had history
But that nigga don't measure up to me
Sorry I've been on the Hennysee
But thinking about the city is killing me
I just want you to want me
I just want you to need me
Is that so much to ask for?
This shit right here it ain't easy

I know I might be wrong
But you don't wanna be here, no
So girl go ahead get gone
Yeah, I might die alone

I know I might be wrong
But you don't wanna be here, no
So girl go ahead get gone
Yeah, I might die alone no no

You know what you want
For the first time I do
I've been on my shit lately
Tell me what you wanna do
You can be scared
You can be honest
I'm so aware I made a promise
I ain't planning on breaking that shit, no
Baby I ain't just saying that shit, no

I just want you to want me
I just want you to need me
Is that so much to ask for?
This shit right here it ain't easy
I know I might be wrong
But you don't wanna be here, no
So girl go ahead get gone
Yeah, I might die alone

I know I might be wrong (Tell me I'm wrong, baby)
But you don't wanna be here, no
So girl go ahead get gone
Yeah, I might die alone no, no
