

Euphoria

ELHAE

What you want
Sleepless, thinking of you, I need you to tell me
What you want
Pull up on me baby, I'm gon' show you
Just what you need, yeah
Doing eighty-five on a eighty-five tryna get by
I feel so alive, yeah
So high, yeah yeah yeah yeah yeah yeah

Hit me up, hit my line
But don't waste no time
You do a line, I know it's wrong
But it feels so right
I know that you wanna play
You got me up and away
Start making love right now
Now now now now now now

Euphoria
Just blow my mind
I'm so high (I'm so high)
I'm so high
Euphoria
Just blow my mind
Eyes wide yeah
Euphoria
Just blow my mind
I'm so high (I'm so high)
I'm so high
Euphoria
Just blow my mind
Eyes wide yeah

Third eye to be exact, yeah
I was half contact, yeah
Touching you became a fetish, damn
Sex feeling psychedelic
Groovy, ay
Takes me to a place where I
Can watch our souls collide, crash
Like a lucid dream
Everything ain't what it seems, oh

Hit me up, hit my line
But don't waste no time
You do a line, I know it's wrong
But it feels so right
I know that you wanna play
You got me up and away
Start making love right now
Now now now now now now

Euphoria
Just blow my mind
I'm so high (I'm so high)
I'm so high
Euphoria

Just blow my mind
Eyes wide yeah
Euphoria
Just blow my mind
I'm so high (I'm so high)
I'm so high
Euphoria
Just blow my mind
Eyes wide yeah

I'm so high
I'm so high
Ay
