

I wanna li-lick lick you from your head to your toes
And I wanna
Move from the bed down to the- down to the- to the flow
And I wanna
Ah, ah, you make it so good I don't wanna leave
But I gotta
Kn-kn-kn-know what's your fan-t-tasy?
Are you still down? (down)
Are you still down? (Are you still down?)
Are you still down? (Tell me that you're still down)
Are you still down? (Are you still down?)
Are you still down? (You, you, you)
Are you still down? (Tell me that you're still down)
Are you still down? (Aye)
No, whoah

I can't believe you're so flawless
You should be having my daughters
Maybe some twins like The Carters
I'm 'bout to love you regardless
You know we just getting starting
Let's go some place we can't be bothered
I have you dripping like the faucet
Know you love the way I'm in your waters
Just in case I never told you, I think you're gorgeous
I think you deserve to ride Porsches
You deserve to be in potraits
Over the fireplace
I'll pick you up right away
Let's book a trip and fly away
'Cause I wanna...

Li-lick lick you from your head to your toes
And I wanna
Move from the bed down to the- down to the- to the flow
And I wanna
Ah, ah, you make it so good I don't wanna leave
But I gotta
Kn-kn-kn-know what's your fan-t-tasy?
Are you still down? (down)
Are you still down? (Are you still down?)
Are you still down? (Tell me that you're still down)
Are you still down? (Are you still down?)
Are you still down? (You, you, you)
Are you still down? (Tell me that you're still down)
Are you still down? (Aye)

I wanna get you in the Georgia Dome
On the fifty yard-line
Where the dirty birds kick for tree
And if you like it in the club, we can do it in the DJ booth
Or in the back of the V.I.P
Whipped cream with cherries and strawberries on top
Lick it, don' stop
Keep your door locked, don't lock while the boat rock
We go bots and robots
Shorty gotta wait 'till the show stops
