

# FOMO

ELHAE

Yeah

Yeah

Mm-mm, mm-mm, mm, mm

Yeah

Damn (You know what it is)

Haha, alright, let's go

Pop that shit off, baby

Told you, you my favorite

Do me this one favor, uh (Turn me up a little bit)

I could put you up on the latest

Tell me how it feel to be upgraded?

'Cause the last nigga had you jaded, yeah, uh

But I've been thinkin' different 'bout it

I'm pullin' up, I'm peelin' out

I got a fear of missin' out

I might just take a different route, yeah, yeah

But I've been thinkin' different 'bout you

After all this time we've been around

We go crazy like a couple screws, loose

But can you take it how you dish it out?

Oh

But you said, don't question

As long as there's a connection

You taught me a lesson, there's no such thing as perfection

This lovin', I know where it been

Feels more like protection

Found a good thing, that's a blessing

This shit crazy, I know

But I've been thinkin' different 'bout it (I've been thinkin' different 'bout it)

I'm pullin' up, I'm peelin' out (Pullin', skrr, skrr)

I got a fear of missin' out (I got a fear of missin' out)

I might just take a different route (I might just take a different route), yeah, yeah

But I've been thinkin' different 'bout you (You)

After all this time we've been around (All this time, yeah)

We go crazy like a couple screws, loose

But can you take it how you dish it out? (Tell me, yeah, yeah)

I make the move right out the blue

I make some time for you, I said, "It's nothin'"

You made the call, I'm comin' through

One room for two, I'm givin' you this lovin' (Yeah)

But you said, don't question

As long as there's a connection

You taught me a lesson, there's no such thing as perfection, no, no (Yeah)

No, no-no, oh, oh, oh, no

But I've been thinkin' different 'bout it (I've been thinkin' different 'bout it)

I'm pullin' up, I'm peelin' out (Pullin', skrr, skrr)

I got a fear of missin' out (I got a fear of missin' out)

I might just take a different route (I might just take a different route), y

eah, yeah
