ELHAE

Never know, you should never know what did I done today and how
was it, yeah
I could imagine your complication when I spit confess about the
daily shit, yeah
Ain't got time to spend useless things just work it
I got time for ya hug me and lay me down, baby, I'll wet that

Wanna get inside of your night
You can make me drown, hold me tight
Take it, go take it, baby, I'll believing you even when I go bl
ind
I just wanna focus
You should never let the sunrise squander
I'm feeling you, yeah
You're feeling me, yeah

Now we don't have to talk, yeah
I'm calling your phone I should make a wave
Then we fall in the ocean I might have to call again
Never thinking about the other things, oh baby, don't waste it
I've been waiting all night long, we can take it slow
Ain't got mind lemme grab you more deeper

No, I don't want to let go, want to let go, no
No, I don't want to let go, want to let go, no no no...
Baby, I don't want to let go, no no, yeah yeah yeah...

You don't want it, you just keep talking like you know me, baby
You don't know me, whatever you say baby you gon' have to show
me
I won't tell nobody, meet me right here in the lobby
Tell your friends they can come party, party, party
Rubbing on your body, I love the way that you move it, yeah
No baby, I ain't sorry, because we about to make us a movie, ye
ah
I don't know about you, but I know that I want you bad
Tell me how you feel, because I love what we have

I love what we have, baby, don't you let me down, yeah
How can I explain this come and make me wet by your under
I know you want me too, oh, don't hesitate
You're my home so, baby, take me there
Just come over
