You been on my mind lately  
Noon time, every night, daily, it's crazy  
'Cause I got love for you, love for you, love for you baby  
Got your guard up, it don't faze me  
So how serious you gonna take me, baby? Yeah

Okay, who

Messed up and fumbled off you  
I could never though, nah  
I just wanna spend some time  
Tell me what's really on your mind  
Healthy, sipping on some wine  
Shall we repeat another time

Can I get to know you more?
