

Might Be It

ELHAE

This might be it
This could be it
This might be it
This might be it
This might be it (ohhh)

One day everything is right
Next day everything is wrong
Baby, how long
Baby, how long
I just want you to be
I just want you to be

This might be it
This might be it (no)
This might be it
This might be it

One day you're up
Next day you're down
As long as it around
As long as it comes back around
One day you're up
Next day you're down
As long as it around
As
Can't believe this might be it
This might be it
