(Do you want...)

Do you want more, more, more, more, more, more?

(Do you want... do you want...)

Do you want more, more, more, more, more, more?

(Do you want... do you want...)

Just because you don't ask for it don't mean you shouldn't have it

I can't help but give you more, baby, it's a love habit (Yeah, yeah)

He'd just take you for granted, got you wasting your magic, it's tragic

But bring your vibe and your energy to me, I bet I'll match it
I'll give you every little thing that you been lacking

'Cause you deserve that, baby, somebody that's gon' love you crazy

So whenever you're tired of waiting, you can dial 1-800 (Yeah)

Do you want more, more, more, more, more, more?

(Do you want... do you want...)

Do you want more, more, more, more, more, more?

(Do you want... do you want...)

I'ma give you what you need, you ain't even gotta ask, girl, no, you don't (No, you don't)

So many tricks up my sleeve, I got whatever you need, let me turn you on (Turn you on)

Treat your body like magic, no, you ain't ever had this before
I can name a hundred reasons you should come and take advantage
Let me paint that new picture all over your canvas

'Cause you deserve that, baby, somebody that's gon' love you crazy

So whenever you're tired of waiting, you can dial 1-800 (Yeah)

Do you want more, more, more, more, more, more?

(Do you want... do you want...)

Do you want more, more, more, more, more, more?

(Do you want... do you want...) Yeah, I know

(Do you need more, more?

Do you want more?)
