

Need To Know

ELHAE

Yeah

Girl, the way you shine (Yeah)
Kinda blows my mind (Oh)
Girl, I like this vibe (Yeah)
We need way more time, yeah
All them lonely nights
Without you right, by my side
I need to you're mine (Yeah)
I need to you're mine, yeah (Yeah, yeah)

'Cause I need you to know
I'm in love with your soul
I've been let down (Down), in the past before
And that's why I'll never let you go

You need to know (Know)
You're the only one that I need (Yeah)
Only one that I see, only
You need to know (Know)
Without you where would I be (Yeah)
Now hand over these keys, you'll see
You need to know (To know)
I feel like I waited all my life for you
And you need to know (Yeah)
You need to know, woah-oh (Yeah)

Girl, I'm tryin' to race to your love (Yeah)
I would clear my whole day for your love (Love)
I'ma take the back seat for your love (Yeah)
Do whatever that I need for your love, woah
And they can all say what they say, but I don't care
'Cause the writing's on the wall
I just know you make me levitate

We might fight, but we'll be fine (Yeah-yeah, yeah)

That's why we shine
We could take (We could take) it slow (It slow)
I'ma go (I'ma go), with the flow, baby
