

# Needs

ELHAE

Yeah, I got needs too  
(Hold up!)

I just need something that's different  
I just need someone that's ready  
I just need someone that listens (Yeah)  
I just need someone that loves me  
I just need someone that trusts me  
I just need someone that does me right  
I just need something I can hold on  
Need something I can be with'  
Need someone to get lit with'  
I just need someone I can roll with'  
Be my one and only  
Be my one and only (Yeah, yeah)

Don't want to deal with the naggin' girl  
The average girl  
And you the homie, you the baddest girl  
I'm askin' girl

Can you be my nigga? Yeah  
Can you be my? Be my? Be my?  
Can you be my nigga? Yeah  
Ohhh  
Can you be my nigga? (Ooh-oh)  
Can you be my? Be my? Be my?  
Can you be my nigga? Yeah  
Uh, yeah  
Can you be my friend?

I just need someone that's calm  
I need someone who's strong  
I need a girl to put on  
I just need someone like me  
As freaky as she can be  
Take it all night long, ohhh  
I just need a different feel  
Tell me is it real, cause I don't have the time  
I just need to know if you ready  
Baby girl let's go steady, go steady  
Cause I don't wanna no no

Don't want to deal with the naggin' girl  
The average girl, yeah  
And you the homie, you the baddest girl  
I'm askin' girl

Can you be my nigga? Yeah  
Can you be my? Be my? Be my?  
Can you be my nigga? Yeah  
Oh, can you be my nigga? Yeah (Woo!)  
Can you be my? Be my? Be my?  
Can you be my nigga? Yeah  
Uh, yeah  
Can you be my friend? My friend? My friend?

My friend? My friend? My friend?  
Yeah yeah, my nigga? My nigga?  
No, no  
(Don't want to deal with the naggin' girl  
The average girl, yeah)  
My nigga? My nigga?
