

Numb

ELHAE

Why
Why'd you love me then go away?
Gotta say I had better days
Takes to the face and fade away, yeah, mmh
Is it love?
I'm tryna figure out, is it love?
And why we never kiss, never hug? Yeah
You just pull the rug, yeah

You got me going numb
Girl this just ain't fun no more
You got me going numb
Girl this just ain't fun no more
You got me going
I just don't feel the same way about you
You just don't feel the same way about me
I'm numb, yeah
Girl this just ain't fun no more, yeah

Remember how you felt about me
Had me under your command
All you ever did was doubt me
You used to be my only fan
Now I don't need you to call my phone
I'm right next to you yet I'm all alone
Why, yeah
Girl you just don't know, you you you

You got me going numb
Girl this just ain't fun no more
You got me going numb
Girl this just ain't fun no more
You got me going
I just don't feel the same way about you
You just don't feel the same way about me
I'm numb, yeah
Girl this just ain't fun no more

Have you ever
Thought about the times we said forever? (Yeah)
Or think about the times we were together
Thought eventually it will get better
But it's whatever

You just don't know what you meant to me
But you'll accept that shit eventually
Ah, yeah
