

## U Know

ELHAE

I know what you want I got the coupe outside  
Know you wonder how I pick, see that look in your eyes  
Shawty wanna ride with me  
Shawty wanna ride the wave  
Bring something to the beach ya know  
Shawty ride me like a two seater  
Say she like my music in the speaker  
Baby you my queen like Latifah

I know that you know  
I know that you know babe  
I know that you know  
I know that you know babe  
I know that you know

It's the after party  
After the party I need ya body yeah  
So don't you tell nobody  
Let's get it started I need ya body yeah

Wondered all the time you got that good na na  
Let me see it from behind I'm trying to bend yo spine  
No don't you give my love away  
Please baby don't go M.I.A.  
Let me fly you from the east coast  
She ain't never seen the palm trees no  
It's always sunny never seasonal  
Lay back feel the breeze ya know  
Say she like my music in the speaker  
Want no by my side yeah she a keeper  
She gonna let me dig deeper  
She a queen like Latifah

I know that you know  
I know that you know babe  
I know that you know  
I know that you know babe  
I know that you know

It's the after party  
After the party I need ya body yeah  
So don't you tell nobody  
Let's get it started I need ya body yeah
