WITHOUT YOU

ELHAE

Where would I be without you
Can't live without you
Can't live without

Where would I be without you
I only think about you
You got me breaking Ja rules for you
Like baby how could we lose
Tell me how could we lose
No I can't live without you
I can't live without you
From 2 nd Street yeah it's true
But you the one out the two baby
You the one out the two two two
And I can't live without you

Word to 1500 you the one out the two
Post a picture up talking goals I'm talking mood
Michigan State got the grades went to school
Still hop on my whoopty whoop and you act a fool

Aye fool uh fool
Nefertiti flow
Aye Body like Saweetie though
I'm Hulu swiping through your favorite TV shows
Forever need you close

Girl I can go without rules
Could go without bad news
But can't live without you baby
I can't live without you
You make all the right moves
You're the air I can't lose
I can't live without you baby
I can't live without you you you

Link up and lay low again
We on Rodeo again
Without you I can't spell Areezay
Give you the title like I sell cars aye
Fall in love I must've fell hard aye
Black owned let me buy you that new Telfar bay

I love your heart I love edges
Love your message everything bout your essence
Where would I be without you

Where would I be without you
I only think about you
You got me breaking Ja rules for you
Like baby how could we lose
Tell me how we gone lose
No I can't live without you
I can't live without you
From 2 nd Street yeah it's true
But you the one out the two baby
You the one out the two two two

Girl I can go without rules
Could go without bad news
But can't live without you baby
I can't live without you
You make all the right moves
You're the air I can't lose
