You

ELHAE

Don't you know
You the one that took away my pride
It's a wall
And I was better with you on my side
You know that I

Say that you forgive me tell me why I'm still paying for it
Everybody told me that I shouldn't but I'm fighting for it
I don't even know why but girl you don't wanna do it
I don't want nothing new, it's only you

You just gotta know that I depend on you (yeah)
Girl you know that I just can't pretend for you (yeah)
Gave you everything a 110 for you
After everything I did I feel I still owe you, (no, no)
(I still owe) you
I just want you
I just want you
I just want, I just want
These hoes and you
I'm only thinking bout you
I don't wanna doubt you
I just want you

Want you, want you,
I want you in the worst way,
Don't care what no-one else say,
Some people say I'm thirsty,
You say that I'm unworthy,
So what I gotta do, gotta do, hey?

Say that you forgive me tell me why I'm still paying for it
Everybody told me that I shouldn't but I'm fighting for it
I don't even know why but girl you don't wanna do it
I don't want nothing new, it's only you

You just gotta know that I depend on you (yeah)
Girl you know that I just can't pretend for you (yeah)
Gave you everything a 110 for you
After everything I did I feel I still owe you, (no, no)
(I still owe) you
I just want you
I just want you
I just want, I just want
These hoes and you
I'm only thinking bout you
I don't wanna doubt you
I just want you
