

# Feel The Fire

Eli & Fur

Feel the fire burn  
Fuse my desire  
Trying to find the words  
Trying to take you higher

Moving all night  
Fuse my desire  
Trying to find my way  
Gonna take you higher

Feel the fire burn  
Fuse my desire  
Trying to find the words  
Trying to take you higher

Moving all night  
Fuse my desire  
Trying to find my way  
Gonna take you higher, oh baby

Will you tell me more, tell me more  
Will you tell me more, tell me more  
Will you tell me more, tell me more  
Will you tell me more, tell me more

In the middle of it all is where I got no more  
Yeah, I got no more in the middle of it all  
In the middle of it all is where I got no more  
Yeah, I got no more in the middle of it all  
In the middle of it all is where I got no more  
Yeah, I got no more in the middle of it all  
In the middle of it all is where I got no more  
Yeah, I got no more

I feel the fire burn  
Fuse my desire  
Trying to find the words  
Trying to take you higher

Moving all night  
Fuse my desire  
Trying to find my way  
Gonna take you higher, oh baby

In the middle of it all is where I got no more  
Yeah, I got no more in the middle of it all  
In the middle of it all is where I got no more  
Yeah, I got no more in the middle of it all

Will you tell me more  
Will you tell me more  
Will you tell me more  
Will you tell me more
