

# Fire To Fire

Eli & Fur

Never gonna win  
Fighting for a feeling  
Trying to begin  
Hiding from the meaning

Trying to feel alive  
I never wanted to know  
Until I saw that I was fading slowly

Fire to fire  
Oh my mind  
I will find  
Feel alive

Through the haze  
Enough to lie  
And blinding lights  
Out of my mind

Trying to feel alive  
I never wanted to know  
Until I saw that I was fading slowly

Fire to fire  
Oh my mind  
I will find  
Feel alive

Fire to fire  
Oh my mind  
I will find  
Feel alive
