

Honest

Eli & Fur

Hold on
'Cause I'm falling in too
Too long
Since I've felt something new
So true
If you're leaving, I'm gone
Would ya hold on?
'Cause I'm falling in too
'Cause I'm falling in too
'Cause I'm falling in too

Hold tight
You've been caught up in my mind
White light
Undercover and out of sight
So reach in
Pull me up from the cold
Would ya hold tight?
You've been caught up in my mind
You've been caught up in my mind
You've been caught up in my mind
I'm just trying to be honest, honest
So should I let you know?
I'm just trying to be honest, I promise
It's beyond my control
I'm just trying to be honest, honest
So should I let you know?
I'm just trying to be honest, I promise
It's beyond my control
I'm alright
I'm alright
I'm alright
I'm alright

I'm just trying to be honest, honest
So should I let you know?
I'm just trying to be honest, I promise
It's beyond my control
I'm just trying to be honest, honest
So should I let you know?
I'm just trying to be honest, I promise
It's beyond my control
I'm just trying to be honest
I'm just trying to be honest
I'm alright
I'm alright
I'm alright
I'm alright
