

# Oceanside

Eli & Fur

Beside the seaside  
And the light is fading out  
I need to get away  
So far from you  
The miles stretch on  
The hours take away my mind again

Just take your time  
I'm not in any rush  
I'll let you in  
I feel the ocean tide is turning  
And I know that your caught in

I'll fall to you only  
Just call when you're lonely  
I'm sure you'll come running  
Oh but it's cold where you are yeah you know me

Beside your bedside  
I escape into the night  
I have to get away  
So far from me  
I can't control the powers  
Take away your mind again

Just take your time  
I'm not in any rush  
I'll let you in  
I feel the ocean tide is turning  
And I know that your caught in

I'll fall to you only  
Just call when you're lonely  
I'm sure you'll come running  
Oh but it's cold where you are yeah you know me

This is a miracle  
You're everything I want and more  
This is a miracle  
Everything I want and more

Don't let me go  
Don't let me out  
Won't let you fall away no  
Changing the tide  
Feeling alright  
I cannot get away
