

Where Do We Go From Here

Eli & Fur

I was missing you
Before I even knew
Forever and ever
Star crossed all this time
Written in the light
That we'd be together

Now there ain't no words to say
I'm right here I won't turn away
Affected
Perfect destiny
So tell me, tell me
Where do we go from here?
Where do we go from here?
Where do we go from here?
Where do we go from here?
Where do we go from here?
