

Ho Hey

Eli Lieb

I've been trying to do it right
I've been living a lonely life
I've been sleeping here instead
I've been sleeping in my bed,
In my bed

So show me family
All the blood that I would bleed
I don't know where I belong
I don't know where I went wrong
I can write a song

I belong with you, you belong with me
You're my sweetheart
I belong with you, you belong with me
You're my sweet

I don't think you're right for him
Think of what it might have been if we
Took the bus to Chinatown
I'd be standin on Canal
And Bowery
And you be standin next to me

I belong with you, you belong with me
You're my sweetheart
I belong with you, you belong with me
You're my sweetheart

The love we need it now
Let's hope for the some
Cause oh, we're bleedin now

I belong with you, you belong with me
You're my sweetheart
I belong with you, you belong with me
You're my sweet
