

Hurricane

Eli Lieb

No matter how many times that you told me You wanted to leave
No matter how many breaths that you took You still couldn't breathe
No matter how many nights that you'd lie wide awake to the sound of the pois
on rain

Where did you go?
Where did you go?
Where did you go?

As days go by
The night's on fire

Tell me would you kill
To save a life?
Tell me would you kill
To prove you're right?
Crash, crash
Burn, let it all burn
This hurricane's
Chasing us all underground

No matter how many deaths That I die I will never forget
No matter how many lives That I live I will never regret
There is a fire inside of this heart in a riot about to explode into flames
Where is your God?
Where is your God?
Where is your God?

Do you really want?
Do you really want me?
Do you really want me
Dead or alive
To torture for my sins?
Do you really want?
Do you really want me?
Do you really want me
Dead or alive
To live a lie?

Tell me would you kill
To save a life?
Tell me would you kill
To prove you're right?
Crash, crash
Burn, let it all burn
This hurricane's
Chasing us all underground

The promises we made were not enough
(never play the game again)
The prayers that we had prayed were like a drug
(never gonna help me here)
The secrets that we sold were never known
(never sing this song the same)
The love we had
The love we had
We had to let it go
(never givin' in again)

Tell me would you kill
To save a life?
Tell me would you kill
To prove you're right?
Crash, crash
Burn, let it all burn
This hurricane's
Chasing us all underground

Oh Oh woah
This Hurricane
Oh Oh woah
This Hurricane
Oh Oh woah
This Hurricane
Oh Oh woah

Do you really want?
Do you really want me?
Do you really want me
Dead or alive
To torture for my sins?
Do you really want?
Do you really want me?
Do you really want me
Dead or alive
To live a lie?
