

# Payphone

Eli Lieb

I know it's hard to remember  
The people we used to be  
It's even harder to picture  
That you're not here next to me

You say it's too late to make it  
But is it too late to try  
And in our time that you wasted  
All of our bridges burned down

I've wasted my nights  
You turned out the lights  
Now I'm paralyzed  
Still stuck in that time when  
We called it love  
But even the sun sets in paradise

I'm at a payphone trying to call home  
All of my change I spent on you  
Where have the times gone  
Baby, it's all wrong  
Where are the plans we made for two

If happy ever after does exist  
I would still be holding you like this  
All those fairy tales are full of shit  
One more fucking love song I'll be sick

You turned your back on tomorrow  
Cause you forgot yesterday  
I gave you my love to borrow  
But you just gave it away

You can't expect me to be fine  
I don't expect you to care  
I know I've said it before  
But all of our bridges burned down

I've wasted my nights  
You turned out the lights  
Now I'm paralyzed  
Still stuck in that time when  
We called it love  
But even the sun sets in paradise

I'm at a payphone trying to call home  
All of my change I spent on you  
Where have the times gone  
Baby, it's all wrong  
Where are the plans we made for two

If happy ever after does exist  
I would still be holding you like this  
All those fairy tales are full of shit  
One more fucking love song I'll be sick
