

## Round and Round

Eli Lieb

We go up, we go down but we fall in love, love, love  
We go in, we go out but we're still in love, love, love  
And we go round and round and round again  
And we go round and round and round again

'Cause every time you touch me I'm in heaven, oh  
And every time you touch me, it feels like heaven, oh  
And we go round and round and round again  
And we go round and round  
Round and round and round again

We can push, we can pull, but we're still in love, love, love  
You could give me your all but it's not enough, no, no  
So we go round and round and round again  
And we go round and round and round again, oh

'Cause every time you touch me I'm in heaven, oh  
And every time you touch me, it feels like heaven, oh  
And we go round and round and round again  
And we go round and round  
Round and round and round again

'Cause every time you touch me I'm in heaven, oh  
And every time you touch me, it feels like heaven, oh  
And we go round and round and round again  
And we go round and round  
Round and round and round again
