

Ain't Love Strange

Eli Sostre

Yeah, you're gone now, all these late nights that I stayed up
I don't even got the time to lay up
Girl we both know that we can never make up
All these sins in the city we've outgrown
Write better when I'm drunk and alone
At the Ritz you ain't ever made love
You just wanted someone you could get to know
Yeah, tell you stories if I had time
Baby I ain't got the time to catch up
Since you left me, you ain't had luck
Got a couple problems we could patch up
I treat a scene hoe like a scene hoe
Tell me that she love me, what it mean though?
Doing our town looking single
But you ain't never 'round when I need you

Play no games, say no names
Tell no lies, ain't love strange?
Yeah, on my mind every day
On my mind every day
Play no games, say no names
Tell no lies, ain't love strange?
Yeah, on my mind every day
On my mind every day

Roll up, enjoy
These niggas ain't makin' no noise
Now they wanna hop on the wave
I know I'm from back in the day
They like "Eli why you switchin'?"
Hotel for the bitches
And that's all for my next
Yeah, I ball with my next
She pick me up, I'm ridin' shotgun
Niggas hate when they ain't got none
Copped my momma that new Louis purse
Shout my baby, I got two for her
Fuck all the rumors
All of the things they assumin'
I need a trip where it's humid
This is how you quiet the room up

Play no games, say no names
Tell no lies, ain't love strange?
Yeah, on my mind every day
On my mind every day
Play no games, say no names
Tell no lies, ain't love strange?
Yeah, on my mind every day
On my mind every day

Now you got the time of day to love
Now that I'm in love with someone else
You don't even love me, love yourself
You don't even trust me, trust yourself
Yeah, I been getting faded out this club
It done been like 5 whole months

I can't feel your vibe no more
I don't even get high no more

But sometimes I think about you
I pour up, I drink about you (Yeah)
If you love me just tell me the truth (Yeah)
I swear that I wouldn't judge you
Sometimes I think about you
I pour up, I drink about you (Yeah)
If you love me just tell me the truth (Yeah)
I swear that I wouldn't judge you
