

Baby, I don't know no more  
I've been thinking 'bout this shit for way too long  
You say you think too much when I'm away from home  
Deep down, you know that's the reason that I'm gone, yeah

Afraid to love you and to do you wrong  
I know I said I'd never do you wrong  
But here we are and now you're movin' on  
Baby, how we givin' up? I thought our love was strong  
(Woah, oh, woah, oh-oh)

If you wanna go, just say you're gone  
Stop tryna figure out what I'm on (Yeah, yeah, yeah)  
I remember thinkin' you was the one  
But I guess we just both wanted some fun

Fucked up, in a bad place  
Been in love, turned so fake  
Then it turns to the hate  
Yeah, I'm back in my old ways  
(Didn't know it, but sometimes it goes that way)

Afraid to love you and to do you wrong  
I know I said I'd never do you wrong  
But here we are and now you're movin' on  
Baby, how we givin' up? I thought our love was strong
