

## Pick It Up

Eli Sostre

I like my girl with a fucked up attitude, yeah, yeah  
Have her countin' money all day, fuckin' all night  
I like my bitches with some gratitude  
She ain't needa crash, she ain't out there grindin', nah, nah,  
yeah  
I call you up one time, said you gon' pick up (pick it up)  
You only got one life, in the nighttime, live it up  
Always on vacay but you livin' in the projects (don't do that)  
You just wanna feel rich, you ain't ready for the process, yeah  
It's too late, I'm too drunk  
Truly, I just wanna fuck  
Baby I keep it blunt  
Said you ain't smoked in months  
And right now I'm too sober  
Call my phone to come over  
Pick up somethin' to pour up

I got no time for you, I been gettin' drunk as fuck, yeah  
I got no time for you, I been gettin' drunk as fuck, yeah  
Yeah-eah-eah-eah-eah, pick it up  
Yeah-eah-eah-eah-eah, pick it up  
Beep-beep-beep-beep-beep, pick it up  
Beep-beep-beep-beep-beep, pick it up
