

# Something Like You

Eli Sostre

I'm finna hit up your spot  
I need a nightcap  
Imma need that more than once  
Baby come right back  
Pick up this ride (Yeah)  
I'll take the flight (Yeah)  
You wanna get high (Yeah)  
That's what you like (Yeah)  
All these 10's on me  
You know I'm down for you  
I'm just tryna stay lowkey  
You know that word get around  
They always talkin' on me  
They always knockin' on me  
They straight been fallin' on me

I want someone like you (Yeah, yeah)  
Lil' pretty bitch with an attitude (Yeah, yeah)  
Baby I like that, baby I like that (Yeah)  
Baby I like that, baby I like that

I want someone like you (Yeah, yeah)  
Lil' pretty bitch with an attitude (Yeah, yeah)  
Baby I like that, baby I like that (Yeah)  
Baby I like that, baby I like that

Baby why these random changes  
You don't love me you think that I'm lovin' strangers  
Love is dangerous everybody got an angle  
What I'm here for? Only for your entertainment  
Not the one that you should play the games with  
I could let it go I'm not afraid of changes  
Talkin' money man they do not speak the language  
Keep it lowkey but I love you like you famous  
Yeah, yeah

I want someone like you (Yeah, yeah)  
Lil' pretty bitch with an attitude (Yeah, yeah)  
Baby I like that, baby I like that (Yeah)  
Baby I like that, baby I like that

I want someone like you (Yeah, yeah)  
Lil' pretty bitch with an attitude (Yeah, yeah)  
Baby I like that, baby I like that (Yeah)  
Baby I like that, baby I like that
