

This Winter

Eli Sostre

PJ pump it up, go

I take a cup to the face
I need some love for your love
You got them tears on your pillowcase
You say the past just don't erase
I ain't even tryna have fun
This winter tryna stack funds
Say they proud but they sound jealous
Truth is I'ont feel the effort
She don't need me, she just work for it
Situations gettin' worse for her
Say she dancin', makin' ends meet
I ain't actin', I'm just bein' me
They be fuckin' up the energy
I just gotta let a bitch breathe
I was worried bout their hearts though
Give a fuck about the 16
City love me like I'm Derek Jeter
Yeah I had to bring the Yankee back
Kept it real yeah I been a stack
André yeah, I been a stack
You can keep it when I finished that
I ain't even tryna get it back
Tell me how much you can take?
Tell me it's real when it's fake

I need some love from you
'Cause it's been a long, long time, yeah
Words could only say so much
I got you on my mind

I take a cup to the face
I need some love for your love
You got them tears on your pillowcase
You said the past just don't erase
I ain't even tryna have fun
This winter tryna stack funds
Say they proud but they sound jealous
Truth is I'ont feel the effort
She don't need me, just work for it
Situations gettin' worse for her
Say she dancin', makin' ends meet
I ain't actin', I'm just bein' me
They be fuckin' up the energy
I just gotta let a bitch breathe
I was worried bout their hearts though
Give a fuck about the 16

I need some love from you
Cause it's been a long, long time, yeah
Words could only say so much
I got you on my mind
I need some love from you
Cause it's been a long, long time, yeah
Words could only say so much
I got you on my mind

Shawty say she tired of the pain
Who do you call when it rain?
I said I miss you
Hope you could tell me the same
Let's go out with a bang
Yeah you wouldn't leave if I let you
I know that your love so special
You know that I just can't forget you
You say what I'm doin' just ain't new
Make me feel like I got so much to prove
Make me feel like I got so much to lose
You know that I just can't forget you
You say what I'm doin' just ain't new
Make me feel like I got so much to prove
Make me feel like I got so much to lose
Yeah, yeah, yeah, yeah
