Baby who do you think is better than you Do you know everything that they go through Have they taken you on their closet tour You'll find a few skeletons I'm sure

You think everyone's kickin' up their feet When you're sold the life of easy street You gotta make there and then maintain Improve your lifestyle that its the same thing

Life at best is a struggle Life at best can be trouble Store up on love, Stay humble It's all a guess baby life at best

There's a shortcut for everything these days Don't fall for the TVs or some magazine page Not much gets solved with a pill in one take What you work hard for is the thing that pays You gotta make it there and maintain Improve lifestyle and its the same thing

Life at best is anybody's guess Life at best is anybody's guess Life at best is anybody's guess Life at best
