

Caramel Carousel

Elijah Blake

I'm on the moon
When I'm with you
It's crazy 'cause sometimes this love is blind
But I see it through
Heaven brought you
Your heart just proves it every time

I'm satisfied
So amazing
We caught a vibe
It's like vacation
Tell me how I got so lucky with you
Hope that I
Met expectations
In your eyes
I see an angel
Paralyzed by every angle you move

You know you make me fall in love
Over and over and over
Over and over and over
And over again

You know you make me fall in love
Over and over and over
Over and over and over
And over again
You make me fall in love

Beauty is you
You're beautifully made, yeah
Heart beats for you
And the sound that it makes
Usually takes a while to open up
Until now I've never been sure enough
Baby if you call me I'm showing up
You gotta know

I'm satisfied
You're amazing
Caught a vibe
It's like vacation
Tell me how I got so lucky with you
Hope that I
Met expectations
In your eyes
I see an angel
Paralyzed by every angle you move

You know you make me fall in love
Over and over and over
Over and over and over
And over again

You know you make me fall in love
Over and over and over
(Over again)

Over and over and over
And over again
You make me fall in love

That's why I fux with you
I can have my cake and eat it too
That's why I fux with you
I can have my cake and eat it too
That's why I fux with you
I can have my cake and eat it too
That's why I fux with you
I can have my cake and eat it too
