

C'est La Vie

Elijah Blake

You taste like candy
Like sugar on my teeth
Like 1970s
Like Stevie on repeat

You taste like bad drugs
Why do we do them?
If all it ever was
Poison and addiction

Here comes the part
You pull me close
Here comes the part
You fall into these arms of love

I hope that when it's hard
We never break and we don't fold
Here comes the part
You fall into these arms of love

C'est l'amour, c'est la vie
La la la
C'est l'amour, c'est la vie

You taste like candy
I guess that's c'est la vie
My nightmare and my dream
Might be the death of me

You taste like bad drugs
Why did we do them if
All it ever was
Poison and addiction

Here comes the part
You pull me close
Here comes the part
You fall into these arms of love

I hope that when it's hard
We never break and we don't fold
Here comes the part
You fall into these arms of love

C'est l'amour, c'est la vie
La la la
C'est l'amour, c'est la vie

Oh

And as the world keeps turning towards the sun
We feel the burning
As we trust fall into the arms of love

Here comes the part
You pull me close
Here comes the part

You fall into these arms of love

I hope that when it's hard
We never break and we don't fold
Here comes the part
You fall into these arms of love

C'est l'amour, c'est la vie
La la la
C'est l'amour, c'est la vie
I guess that's life for me
